Frequently asked questions

Can I add multiple spaces in one account?

You certainly can! Depending on your needs, you can add up to 10 spaces in the Premium plan or an unlimited number of spaces in the Ultimate plan. Keep in mind that additional spaces are available at an add-on cost.

Is there any time limit for each video?

Yes! Every video has a limit. Free plan has a limit of 2 minutes, 3 minutes for the Premium plan and 5 minutes for the Ultimate plan. It's more than enough to cover the whole testimonial recording.

What happens after free credits are exhausted?

Your customers will not be blocked from submitting their testimonials. However on your side, you need to upgrade to the relavant plan to access additional text and video testimonials.

What is the Wall of Love?

Wall of Love is a place to display all your selected testimonials. They can be video, text or social proof like Twitter shoutouts. **Here is the Wall of Love for our Testimonial product**, check it out!

How to embed the Wall of Love?

It's just 3 lines of HTML code. You can embed it in any no-code platform (Webflow, WordPress, you name it!) **You can find some samples here.**

Can I get embed a single video to my site?

Yes, but only if you are our premium user! We provide embed code for each video. It's just one-line code. You just copy the code and place it in any no-code platform, like how you embed the Wall of Love.

Can I download the video testimonials?

Yes! You can download all videos in MP4 format. You will have a single page to manage all testimonials for each of your products.

What information can I collect from my customer?

Apart from the testimonial, you can collect your customer's name, headshot, email, title and company, social link. You can also add up to 5 custom data to collect, e.g. phone number, etc.

Do you offer discount?

Sure! We offer discounts for bootstrappers and non-profits. It will only apply on the subscription plan. Please send us a message with an intro to your business to get the discount code.

Do you have any other question?

No problem! Please send us your messages in our chatbox. We will get back to you within a day.
